STATEMENT OF PHILOSOPHY

The faith community of St. Vincent Ferrer School provides a unique environment to promote Gospel values. We guide our students and each other in the knowledge of Catholic doctrine. We recognize our responsibility to build a peaceful, just society in our ever changing world.

We, as members of this faith community, concern ourselves with the social, physical, emotional, cultural and aesthetic growth of each student. We encourage each student to assume his/her own uniqueness and self-worth, while developing an awareness of responsibilities not only to oneself, but to others and to God.

We believe that parents are crucial in the student's development since parents are the primary educators of their children. We offer the parents close support to assist them in this critical role.

PARENT INVOLVEMENT

St. Vincent Ferrer School depends on the involvement of parents for supplemental services and additional financial and community support. The Parents and Friends Club provides opportunities for parents to become acquainted with each other, to become actively involved in the school, and promotes the faith community which is St. Vincent Ferrer School and Parish.

There are additional opportunities for parents to become involved in the school as volunteer aides in the library, reading program, scrip sales, noon yard duty, athletic programs and field trips. A very important involvement is the active participation in the fund raisers held throughout the year.

Participating members of Parents and Friends (family unit) are asked to contribute forty (40) hours per school year, (single parent family), twenty (20) per school year, on fund raising and /or school activities that contribute to community, child, or financial welfare of the school as approved by the principal and fully support the \$250.00 fundraising contribution for the school year. **Parent's must be finger printed and have done the Shield the Vulnerable in order to volunteer at school.** In addition, parents are required to attend 3 of the 5 parents and Friends meetings held throughout the year, attend the annual parent conference, and support the Scrip Program (approx. \$300/mo. Or \$3000/yr.).

Re-registration for the next year's school term will depend upon your fulfillment of and completion of these commitments.
